

Private Coaching for Trainers in Accent Reduction Have a Functioning Business in 90 Days

If you would like a hands-on partnership for building your business in accent reduction and other professional development training opportunities, having solutions for obstacles and have continual streaming income, contact us to set up your custom designed coaching program to make this happen.

We will work with you to build your company and confidence. Learn business strategy, targeted marketing and skilled business operations with Liz Peterson, corporate communication specialist and business owner for over 15 years. Learn how to establish company contracts, get clients, negotiate with confidence, establish fees, offer more programs other than accent reduction plus get your business launched in 90 days.

We offer two levels of coaching:

LEVEL 1: Launching a company in 90 days

LEVEL 2: Advanced coaching once clients are on your calendar and your business is moving forward.

Liz Peterson built her corporate communication business from the ground up starting with a vision and goals. Over the past decade she went from offering accent reduction services two times a week in her New York, Manhattan apartment to operating a full-time corporate communication practice in Denver. There is nothing unique about her other than having a plan and a vision for wanting to have a successful corporate communication practice.
